

## English Camp 2016: Let the Adventure Begin!

Hello family and friends,

We are excited to start plans for English Camp 2016 in Dankovice, Czech Republic. Camp will be from July 10th -17th this year in the same quaint village. We look forward to seeing friends again!

On this, our thirteenth trip to CZ, we are happy to take such a diverse group: first timers and those who have come for a second, third, and sixth time. We know that God has a part for all of us in reaching the world; here, there and everywhere, and are humbled to have so many join us in God's work in Czech.

★★★★★★★★★★

"... We continually ask God to fill you with the knowledge of his will through all the wisdom and understanding that the Spirit gives, so that you may live a life worthy of the Lord and please him in every way: ..." Col 1: 9-10

★★★★★★★★★★

With 6 members of our KCC youth coming this year, Carol Anne will have great help with children's stations: crafts, music, English, stories and games from the youth and Czech volunteers. Ed & Gretchen Ezaki, Katherine Baldwin, and

Johanna Chambers will be assisting Rick with Adult English Class. Ricky Chambers will be doing children's music (extra prayers for stamina, please).

As our team meets and prepares, we look toward what God would teach us as in Colossians 1 and how our faithfulness can bring opportunities for His kingdom.

★★★★★★★★★★

bearing fruit in every good work, Growing in the knowledge of God, Being strengthened with all power according to this glorious might ... " Col 1:11

★★★★★★★★★★

If God puts it on your heart to join our team, in prayer or financial support, please write a check to Kingsburg Community Church with CZ: Mendenall in the memo line.

Support of God's people is a witness to Czechs. That someone who will never meet them is concerned about their eternal well-being is a surprise and brings out the importance of considering your eternal life. We look forward to sharing what happens next on this adventure.

Thanks so much for all you do,

Rick and Carol Anne Mendenall
